

## YOUNG SCIENTIST DECLARATION

**Print, complete, sign and fax to the Congress Organisers**

**Criteria for qualifying as a young scientist:** For the purpose of the Young Scientist Competition of the South African Society for Basic and Clinical Pharmacology (SASBCP), a young scientist is a postgraduate student in Pharmacology at Honours, Master's or PhD level (post-doc students are excluded). The data presented should not have been presented before (i.e. first time at a meeting of the SASBCP).

### Declaration by the Student

Surname	<input type="text"/>	Initials	<input type="text"/>	Year of study (1 <sup>st</sup> 2 <sup>nd</sup> , etc.)	<input type="text"/>
Institution	<input type="text"/>	Degree (MSc / PhD)	- select -	Student no.	<input type="text"/>
Tel. no.	<input type="text"/>	E-mail	<input type="text"/>		
Abstract Title	<input type="text"/>				
<input type="text"/>					
SAPS Membership no.	<input type="text" value="100-"/>	Abstract ID.	<input type="text" value="800 -"/>		

I have read, understand and comply with the criteria to qualify for the Young Scientist Competition.
