## Award for Outstanding Contributions

Congratulations to Prof Christiaan Brink (Faculty of Health Sciences, North-West University) and immediate past-president of the SASBCP for receiving the FARMOVS Prize for Outstanding Contributions to Pharmacology and Drug Development from the Akademie vir Wetenskap en Kuns. The award ceremony will take place on the 18<sup>th</sup> of July, 2018. Prof Brink has made contributions both nationally and internationally, and has led the B.Sc. Honours degree in Pharmacology at North-West university for almost 20 years within a distance learning model.

## Champions of Healthcare Award

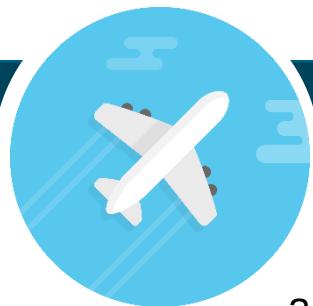

Congratulations to Dr Mohamed Irhuma (Division of Pharmacology, University of the Witwatersrand) for being awarded the EiT 2018 Champions of Health Care North Africa and Middle East Innovation and Research Award through the Gulf Institute of Health. His innovation included the development of the “open-access” medicine and drug index digital application. Dr Irhuma is an academic lecturer at the University of the Witwatersrand, as well as a honorary lecturer at the University of Tripoli (Libya), acting secretary of the College of Clinical Pharmacologists in South Africa, and honorary senate on the American Board of Clinical Pharmacology.
